Need

Hana Pestle

i'm not quite sure how to breathe
without you here
i'm not quite sure if I'm ready to say goodbye
to all we werebe with me
stay with me
just for now
let the time decide when i won't need youmy hand searches for your hand
in a dark room
i can't find you
help me
are you looking for mecan i feel any more
lie to me, i'm fading
i can't drop you
tell me i don't need youmy hand searches for your hand
in a dark room
i can't find you
help me
are you looking for meetch this into my brain for me
tell me how its supposed to be
where everything will go
and how i'll be without you by my sidemy hand searches for your hand
in a dark room
i can't find you
help me
are you looking for memy hand searches for your hand
in a dark room
i can't find you
help me
are you looking for me
