Candyland

Love and Theft

Standing in the porch light
We ain't gonna say good night
The way you're leanin' has got me thinkin'
There's something more on your mindWe're racing down the hallway
Like a Carolina speedway
Your lips are like sugar
No and I couldn't stop at just one tasteOoh baby, ooh baby
The way you move, baby
Meltin' like kisses in the palm of your hands
Do what you do baby
All sweet and smooth, baby
Turning this room into Candyland
I, I, I gotta take
Just, just one more taste
Do what you do, baby
All sweet and smooth, baby
Turning this room into CandylandThem cinnamon candles
Love watching our shadows
Dancin' in the dark
Taking it as far as we both wanna goOoh baby, ooh baby
The way you move, baby
Meltin' like kisses in the palm of your hands
Do what you do baby
All sweet and smooth, baby
Turning this room into Candyland
I, I, I gotta take
Just, just one more taste
Do what you do, baby
All sweet and smooth, baby
Turning this room into CandylandHits me like a rolling stone
Out of control
I've got a sweet tooth, honey
Gotta let you know
That you're better than a Lemon Drop
Poppin' like a Pop Rock
Feelin' like a kid at the candy storeOoh baby, ooh baby
The way you move, baby
Meltin' like kisses in the palm of your hands
Do what you do baby

All sweet and smooth, baby
Turning this room into Candyland
I, I, I gotta take
Just, just one more taste
Do what you do, baby
All sweet and smooth, baby
Turning this room into CandylandI, I, I gotta take
Just, just one more taste
