## Dashboard Confessional

Save up, until you've had it  
Your purse gone, but you won't go on  
Brought down with a force of nature  
Breathing off my lung It's not easy to like it  
(It's not easy to like it)  
It's not easy at all  
(It's not easy at all)  
It's not easy to like it at all Fill up to the limit  
Winter has come as an appetite  
Money clips, equipped with paper  
Pockets brimming and tight It's not easy to like it  
(It's not easy to like it)  
It's not easy at all  
(It's not easy at all)  
It's not easy to like it at all It's not easy to like it  
(It's not easy to like it)  
It's not easy at all  
(It's not easy at all)  
It's not easy to like it at all (Breathing off of my lung)  
(When you breathe off of my lung)  
Save up, until you've had it  
Offers come  
But you won't go on Brought down  
(It's not easy to like it)  
With a force of nature  
Breathing off of my lung  
It's not easy at all  
It's not easy at all
