

Dissention (Album Version)

Orgy

Found out you're really something they talk about you
Then turn your confidence against you now, into nothing Grinning from the daze
Petrified and blazed
Feels good to know they care
Special friends, simply two faced You couldn't let go
Your talking got you here
Tearing up everyone
Respect, you don't know They say I'm jaded, 'Cause they know it's true
With all those silly people on the wonder wheel Listen from the dazed
Purified and crazed
Feels good to hear them share
Hateful friends, simply two faced You couldn't let go
Your talking got you here
Tearing up everyone
Respect, you don't know (Don't waste your fucking time)
Don't waste your fucking time
Let live, let go
([incomprehensible])
Don't waste your fucking time
Let live, let go
([incomprehensible])
Don't waste your fucking time
Let live, let go
([incomprehensible])
Don't waste your fucking time
Let live, let go
([incomprehensible])
Don't waste your fucking time
Let live, let go
([incomprehensible])
Don't waste your fucking time
Let live, let go
([incomprehensible])
Don't waste your fucking time
Let live, let go
([incomprehensible])
Don't waste your fucking time
Don't waste your fucking time
Don't waste your fucking time
Don't waste your fucking time
Don't waste your fucking time
Don't waste your fucking time

Don't waste
