All the Time

Imaginary Cities

I just gotta get back to the place I let it flow
All for me, not for those who
Bringing me down when they say I gotta go
Endlessly, never slow downCause I
I got all the time for your love
I, I got all the time for your loveI've been breaking my back trying keep this thing alive
But how can one, have a drive for two?
People are gettin' their hands all over me
But in this lake, you've gotta tread carefullyBut I
I got all the time for your love
I, I got all the time for your loveI'll bring it home
I won't give it away
And I'll try
To let you know
I won't throw it away
And I'm dying
But even so
I won't give it away
I won't give it awayCause I
I got all the time for your love
I, I got all the time for your love
