Hotel Room

Mest

I'm all alone in this hotel room
The fear inside of me is uncontrollable
I hear the cops, see the sun, the sky is blue
And all I can think about is being with you
Guess, I'm all alone again, soDo you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was hereDo you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was hereNever once did I seem to care
If I didn't have anybody near
But now I do and I don't know what to say
I feel lost in every possible way
Guess, I'm all alone again, soDo you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was hereDo you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here
Wishing I was hereWanna call you but I know I can't call you
Wanna see you but I know I can't see you
Wanna touch you but I know I can't touch you
Wanna be inside of youWanna call you but I know I can't call you
Wanna see you but I know I can't see you
Wanna touch you but I know I can't touch you
Wanna be inside of you, wanna be inside of youDo you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was hereDo you think you know the way I feel?
And do you think you feel the way I do?
'Cause I am all alone, all my friends are home
And soon I'll be there, wishing I was here(Do you know the way I feel?)
Wishing I was there
(Do you know the way I feel?)
Wishing I was there(Do you know the way I feel?)
Wishing I was there
(Do you know the way I feel?)

Wishing I was there
