Hotel Room

Mest

I'm all alone in this hotel room
The fear inside of me is uncontrollable
I hear the cops, see the sun, the sky is blue
And all I can think about is being with you

Guess, I'm all alone again, soDo you think you know the way I feel?

And do you think you feel the way I do?

'Cause I am all alone, all my friends are home

And soon I'll be there, wishing I was hereDo you think you know the way I feel?

And do you think you feel the way I do?

'Cause I am all alone, all my friends are home

And soon I'll be there, wishing I was hereNever once did I seem to care

If I didn't have anybody near

But now I do and I don't know what to say

I feel lost in every possible way

Guess, I'm all alone again, soDo you think you know the way I feel?

And do you think you feel the way I do?

'Cause I am all alone, all my friends are home

And soon I'll be there, wishing I was hereDo you think you know the way I feel?

And do you think you feel the way I do?

'Cause I am all alone, all my friends are home

And soon I'll be there, wishing I was here

Wishing I was hereWanna call you but I know I can't call you

Wanna see you but I know I can't see you

Wanna touch you but I know I can't touch you

Wanna be inside of youWanna call you but I know I can't call you

Wanna see you but I know I can't see you

Wanna touch you but I know I can't touch you

Wanna be inside of you, wanna be inside of youDo you think you know the way I feel?

And do you think you feel the way I do?

'Cause I am all alone, all my friends are home

And soon I'll be there, wishing I was hereDo you think you know the way I feel?

And do you think you feel the way I do?

'Cause I am all alone, all my friends are home

And soon I'll be there, wishing I was here(Do you know the way I feel?)

Wishing I was there

(Do you know the way I feel?)

Wishing I was there(Do you know the way I feel?)

Wishing I was there

(Do you know the way I feel?)

Wishing I was there
