

# Exit Calypsan

## Falling Up

This [Incomprehensible] blows so softly  
The movement still is in my mind  
This flag from [Incomprehensible] Reedsport  
Will start to catch beneath the wind  
Catch beneath the wind It's only in your dreams  
It's only in your dreams  
So exit the fall and now it's over  
It's only in your dreams This flight comes, it's nameless  
The dark is calling out my name  
Escape with no traces  
The movement burns inside my veins  
Burns inside my veins It's only in your dreams  
It's only in your dreams  
So exit the fall and now it's over  
It's only in your dreams By now the sun is seen  
I thought I made it clear This is the flight, this is the fall  
(By now the sun is seen)  
This is the flight, this is the fall  
(I thought I made it clear) Dreams  
It's only in your dreams  
So exit the fall and now it's over  
It's only in your dreams And now it's over  
It's only in your  
And now it's over  
It's only in your And now it's over  
It's only in your dreams  
And now it's over
