That Loving Feeling (DJ Steef Edit)

Isaac Hayes

Come on ... come closer baby
And lay your lovely face against my skin
Please don't ... don't turn away from me baby
Cause we may never pass this way againI can't stop myself from wanting you
And woh I don't believe it
Won't ya even try?
I can't keep my hands from touching you
I wanna see that loving feeling in your eyesOh babyThe nearness of you ... surrounded me
Seems that i can almost touch your soul
I feel my heart ... a-pounding inside me
Hold me baby, hold me, don't let me go!This is such an unusual reaction
I never never felt this way before
It's more then just a sexual attraction
I find myself loving you more and moreHmm
So sexy!I can't stop myself from wanting you
And woh I don't believe it
Won't ya even try?
I can't keep my hands from touching you
I wanna see that loving feeling in your eyesGood morning baby you look so lovely
With your hair spread upon the pillowcase
Soft eyes avoiding me
I see uncertainty on your faceBabe I'm a man of a word I told you
Cause now you've got me feeling so brand new
Can't you feel it baby when I hold you?
I want to spend the rest of my life loving you
