

# Ain't No Thang (Rap)

Ronald Jenkees

Station Wagon cruisin? on the south of 16th  
Tappin? on my brakes to the sound of my beat  
I got the red lights blinkin? to the sound of the heat  
Aint no sample and the Jinks don?t cheat.

I?m feelin? kinda charged, kinda positive  
Flow of cash, can?t tell my mood by the sound of this rap  
So quit actin? tight, take a notch out yo? cap  
Take dat roll of fives and put a tip in my hat.

[CHORUS 1]

My cash (I like the cash)  
My jewels (I like the rocks)  
My car aint no thang

[CHORUS 2]

My cash, my jewels, my car aint no thang.  
My cash, my jewels, my car aint no thang.

Home-grown beats and import cars  
All this gold, I must?ve been workin? hard  
Beats on you ?bout to set me off hard  
Top of the game, and I?m feelin? kinda charged.

[CHORUS 3]

Steppin? on high don?t cut it on this floor  
Steppin? on low don?t float this boat

We flow when the no show means a no go  
Follow my lead, while I cut the rug in ten.

[CHORUS 2]

My cash, my jewels, my car aint no thang.  
My cash, my jewels, my car aint no thang.

Whoa, I?m feelin? like this beat?s kinda hot  
Fizzin? up like a sealed bottle of pop  
Moppin? up dirty on the rocks, easy like Knox,  
In the Marriott, don?t care if you see me or not

Got my groove on, got my groove on, got my groove on, got my groove on  
Got my groove on, got my groove on, got my groove on, got my groove on

[CHORUS 3]

Steppin' on high don't cut it on this floor  
Steppin' on low don't float this boat

[CHORUS 2]

My cash, my jewels, my car aint no thang.  
My cash, my jewels, my car aint no thang.

Uh-uh, no, you can't coax me to flow,  
Stub a toes, butta' rolls, hot coals, all the gold  
That's a good notation, I'm takin' my notes  
'Cause the Wagon rides easy with the Jink in flow

[CHORUS 4]

My left foot's movin' to the sound of the hats  
My right foot's movin' to the sound of the claps  
You tryin' to get a piece of my cash  
You tryin' to be the locale of my stash

[CHORUS 1]

My cash (I like the cash)  
My jewels (I like the rocks)  
My car aint no thang

[CHORUS 1]

My cash (I like the cash)  
My jewels (I like the rocks)  
My car aint no thang

[CHORUS 5]

My cash (cash)  
My jewels (jewels)  
My car aint no thang

[CHORUS 5]

My cash (cash)  
My jewels (jewels)  
My car aint no thang

[CHORUS 4]

My left foot's movin' to the sound of the hats  
My right foot's movin' to the sound of the claps  
You tryin' to get a piece of my cash

You tryin? to be the locale of my stash

[CHORUS 5]

My cash (cash)

My jewels (jewels)

My car aint no thang

[CHORUS 5

My cash (cash)

My jewels (jewels)

My car aint no thang

Aint no thang, yeah

---
