

Heat

Mariah Carey

That's Mariah
Heat, heat, heat, heat, heat, heat
Next time I'm gonna come on harder
Can't step on this heat, don't bother
Next time I'm gonna, next time I'm gonna
Can't step on this heat, don't bother
I see you put your favorite dress on again
I guess you thought that you would stick
But now you're ready?
You got your tag tucked in
Strugglin', tryin' to look cute in your
Best friend's boots, but they don't hardly fit
Why you back again tryin' to steal man
I told you once before but you don't know me
I ain't who you think I'm is
I will snatch off all this ish
You think I won't come out of
These heels and make it clear, ho?
(I ain't the one)
You think I won't fuck up my hair and take it, bitch?
Keep your hands off of my boo
Ain't no tellin' what I'll do
What makes you think you
Fly enough to take my man?
(Not, y'all ain't the one)
All these J-Ho want what's mine
But they done lost they minds
They on him like the ice-cream man
Night and day
Why I gotta fight to keep 'em all away
They cryin' but they know
They can't have none
Obsessin' but they messin'
With the wrong one
I ain't who you think I'm is
I will snatch off all this ish
You think I won't come out of
These heels and make it clear, ho?
(I ain't the one)

You think I won't fuck up my hair and take it, bitch?
Keep your hands off my boo
Ain't no tellin' what I'll do
What makes you think you
Fly enough to take my man?
(No, I ain't the one)
Next time I'm gonna come on harder
Can't step on this heat, don't bother
(Heat, heat, heat)
Next time I'm gonna, next time I'm gonna
Can't step on this heat, don't bother
(Heat, heat, heat)
You think I won't come out of
These heels and make it clear, ho?
(I ain't the one)
You think I won't fuck up my hair and take it, bitch?
Keep your hands off my boo
Ain't no tellin' what I'll do
What makes you think you
Fly enough to take my man?
(No, I ain't the one)
Oh, oh, oh
'Cause y'all ain't the one
