Proletarian Hop

Randy

["Yes, government means violence and it's evil." - Alexander Berkman.]A revolution with a goal so fine
From 36 to 1939
They say it ended that last year
But the fascists are still here
The war ain't over and the battle ain't won
The struggle, baby, has just begun
So fascist pigs start to run
We won't forget what you've doneIt's a war between the classes
The privileged few against the masses
The spanish anarchists said: "?No pasaran!"
I say we stick to that until the war is wonIt's a proletarian hop
Proletarian hop
Proletarian hop
That just won't stop
Proletarian hop
Proletarian hop
Proletarian hop
That just won't stopTime to set the record straight once and for all
Death to all the neo-liberals
I want to see the stockmarket crash
And the ones who deserves it get the cashIt's a war between the classes
The privileged few against the masses
The spanish anarchists said: "?No pasaran!"
I say we stick to that until the war is wonIt's a proletarian hop
Proletarian hop
Proletarian hop
That just won't stop
Proletarian hop
Proletarian hop
Proletarian hop
That just won't stopWe won't forget what they've done
The fascists may think that they've won
But the war against the fascists is a classwar too
It conserns everybody, baby, even you - ?No pasaran!
Everything evolves around money - ?No pasaran!
We don't even think about it honey - ?No pasaran!
There is money involed no matter what we do - ?No pasaran!
Everybody tries to make abuck or two - ?No pasaran! ?No pasaran!It's a war between the classes
The privileged few against the masses

Spanish anarchists said: "?No pasaran!"
I say we stick to that until the war is wonProletarian hop
And it just won't stop
Proletarian hop
No it just won't stop
Proletarian hop
Oh it just won't stop
Proletarian hop
Come on boys lets goIt's a proletarian hop
A proletarian hop
A proletarian hop
That just won't stop
Proletarian hop
A proletarian hop
A proletarian hop
That just won't stop
