Blue Cassette

Friendly Fires

I found a tape in my back garden
A blue cassette covered in dirt
And through the dust the reels start turning
And plays the memories stored in earthAs I hear your voice, it sets my heart on fire, that with all the noise
It sets my heart on fire, and I can't stop the reels from turning
I can't stop the tape machine, as I hear your voice
It sets my heart on fire, my heart on fireI found a place I thought was stolen
A place that's built on noise and leads
And in my hand it spins so gently
And fills a void rewinding meAs I hear your voice, it sets my heart on fire, that with all the noise
It sets my heart on fire, and I can't stop the reels from turning
I can't stop the tape machine, as I hear your voice
It sets my heart on fire, my heart on fireLay back down, I told myself
You're buried in earth, I told myself
Lay back down, I told myself
How could I ever forget you?As I hear your voice, it sets my heart on fire, that with all the noise
It sets my heart on fire, and I can't stop the reels from turning
I can't stop the tape machine, as I hear your voice
It sets my heart on fire, my heart on fireI found a tape in my back garden
A blue cassette covered in dirt
