Blue Cassette

Friendly Fires

I found a tape in my back garden
A blue cassette covered in dirt
And through the dust the reels start turning

And plays the memories stored in earthAs I hear your voice, it sets my heart on fire, that with all the noise It sets my heart on fire, and I can't stop the reels from turning

I can't stop the tape machine, as I hear your voice It sets my heart on fire, my heart on fireI found a place I thought was stolen

A place that's built on noise and leads

And in my hand it spins so gently

And fills a void rewinding meAs I hear your voice, it sets my heart on fire, that with all the noise It sets my heart on fire, and I can't stop the reels from turning

I can't stop the tape machine, as I hear your voice

It sets my heart on fire, my heart on fireLay back down, I told myself

You're buried in earth, I told myself

Lay back down, I told myself

How could I ever forget you? As I hear your voice, it sets my heart on fire, that with all the noise

It sets my heart on fire, and I can't stop the reels from turning

I can't stop the tape machine, as I hear your voice

It sets my heart on fire, my heart on fireI found a tape in my back garden

A blue cassette covered in dirt
