

# Fall

## Venya Pak

Iâ€™ve been hurt before  
Broken heart on the floor  
And you know it  
You know it

Every time I close my eyes  
It repeats a million times  
And you know it  
You know it

But with you  
Iâ€™m not  
Iâ€™m not afraid at all  
Not afraid at all  
â€˜Cuz I  
I know  
You can catch me when I fall  
Catch me when I fall

Oooh

My head was all messed up  
I thought I couldnâ€™t love  
And believed it  
I believed it

I thought this fear was here to stay  
But you made it go away  
Completely  
It was so easy

But with you  
Iâ€™m not  
Iâ€™m not afraid at all  
Not afraid at all  
â€˜Cuz I  
I know  
You can catch me when I fall  
Catch me when I fall

Oooh
