

# Lady

Lou Bega

Bounce baby, bounce baby  
Baby baby, bounce bounce  
Bounce baby, bounce baby, bounce  
Lady, if you really wanna ride with me  
If you wanna have some fun, baby  
Then you just gotta bounce  
Baby bounce, bounce  
Baby, what's your name I would like to say hello  
I am a true fellow with potential to be mellow  
I know you know that we know that it is bedtime  
I'm just a gigolo but that is not a bad sign  
Ladies stand in line just to ride in my new roadster  
Did I see your face lately on a Playboy poster ?  
I know you know that we know that it is bedtime  
I'm just a gigolo oh baby bounce  
Lady, if you really wanna ride with me  
If you wanna have some fun, baby  
Then you just gotta bounce  
Baby bounce, bounce  
Lady, If you really wanna ride with me  
If you wanna have some fun, baby  
Then you just gotta bounce  
Baby bounce, bounce  
If it's good then it's good  
If it's not then it's not  
But you got me kind of hot  
Baby you don't stop  
If it's good then it's good  
If it's not then it's not  
But you got me kind of hot  
Baby bounce, bounce  
I know you know that we know that it is bedtime  
I'm just a gigolo oh baby bounce  
Lady, if you really wanna ride with me  
If you wanna have some fun, baby  
Then you just gotta bounce  
Baby bounce, bounce  
Lady, if you really wanna ride with me  
If you wanna have some fun, baby

Then you just gotta bounce  
    Baby  
    Bounce one time  
    Bounce one time  
    Bounce one time  
    Bounce one time  
    Bounce one time  
Ladies stand in line just to ride in my new roadster  
    Did I see your face lately on a Playboy poster?  
I know you know that we know that it is bedtime  
    I'm just a gigolo oh baby bounce  
    If it's good then it's good  
    If it's not then it's not  
    But you got me kind of hot  
    Baby you don't stop  
    If it's good then it's good  
    If it's not then it's not  
    But you got me kind of hot  
    Baby bounce, bounce  
Lady, if you really wanna ride with me  
    If you wanna have some fun, baby  
    Then you just gotta bounce  
    Baby bounce, bounce  
Lady, if you really wanna ride with me  
    If you wanna have some fun, baby  
    Then you just gotta bounce  
    Baby bounce, bounce  
Lady then you just gotta bounce  
    Baby bounce, bounce
