

When You're Gone

The Cranberries

Give it up

Hold on to love, that is what I do
Now that I've found you
And from above, everything's stinking
They're not around you
And in the night I could be helpless
I could be lonely slipping without you

And in the day, everything's complex
There's nothing simple when I'm not around you
But I miss you, when you're gone
That is what I do, hey baby, baby
It's hard to carry on, that is what I do, hey baby
Give it up

Hold on to my hands
I feel I'm sinking, sinking without you
And to my mind, everything's stinking
Stinking without you
And in the night I could be helpless
I could be lonely, slipping without you

Hold on to love, that is what I do
Now that I've found you
And from above, everything's stinking
They're not around you
And in the night I could be helpless
I could be lonely slipping without you

Hey baby
