(Ly) Every king must crown a queen  
To make his kingdom mean anything  
Through thick and slim we gon win  
We a team by any means yall I got a man and hes so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be I got a man and hes so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be I got a man and hes so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be I got a man and hes so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be The touch of his hand, the sound of his voice  
The way that he loves me til he knows I feel it  
And all through the night, forever rejoice

The angel above me starts to sweetly sing to me  
Who loves you baby? I do, I do adore you  
Im the best man for the job  
Another man couldnt do nothing for you  
'Cause youre spicy just like me  
We come together like thunder and lightning  
With all of that scratching and biting  
So exciting, its frightening  
Im your do-right man and youre my do right  
Not my just for tonight woman  
Making me feel just like a baker  
Quick to put something in your oven  
Not no dumplins or no stuffin  
But our own lil flesh and blood  
N' a bouncin lil, baby something  
Pretty girl or handsome son child  
I got a man and hes so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be  
I got a man and hes so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be  
I got a man and hes so good to me  
I give love and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be  
I got a man and hes so good to me  
I give love and and he gives it back to me  
Say it for me once if you know what I mean  
I said my mans what a mans supposed to be  
My mans what a mans supposed to be  
I got a man
