

# Turn Off the Lights

## Hollywood Undead

[Intro: Jeffree Star]

This is Jeffree fucking Star,  
And this is a big "fuck you" to all you jealous bitches,  
That get mad that I'm fucking your boyfriends.  
And don't get mad that they suck my dick,  
And then they make-out with you after, hoe.[Chorus: Deuce]  
Girl your boobies look real nice to me tonight,  
Let's have a pillow fight,  
I know you're tight,  
That's when we turn off the lights.  
Girl if you're from Orange County,  
I'll fuck you right,  
And I think J-Dog might if I'm nice,  
That's when we turn off the lights.[Verse 1: J-Dog & Deuce]

I be the J to the D,  
Girls call from O.C.  
I'll fuck you in your new Daneli,  
What a change 'cause I fuck g-g-girls in alleys.  
Behind the beauty bar,  
Let's see how far we can go on a sexual safari,  
I got a dick like Kareem Abdul-Jabbarie.

Now lets pray,  
Go all the way.  
Your boyfriend's gay,  
Got his truck raised.  
Ain't I right?  
Hey Shady!  
Let's have a pillow fight.  
I'm a sex robot sent back from the fa-fa-fucking future.  
Fuck girls deep, stick it in their pooper.[Chorus: Deuce]  
Girl your boobies look real nice to me tonight,

Let's have a pillow fight,  
I know you're tight,  
That's when we turn off the lights.  
Girl if you're from Orange County,  
I'll fuck you right,  
And I think J-Dog might if I'm nice,  
That's when we turn off the lights, undead.[Verse 2: Charlie Scene]  
I'm like the Brad Pitt of scene movies,

Take off that shirt and let me see them B boobies.  
I like C boobies, D boobies, Z boobies,  
Sad boobies, mad boobies, clean boobies, mean boobies.  
I get pissed when the haters try and cock-block  
I get drunk an touch Tila in her hot spot.  
It's Charlie Scene let me drink from your flask,  
Put on my mask and fuck you in the ass!  
Hey Charlie, how many girls you taking home tonight?  
My dick's sinned so much it should be crucified,  
Like Jesus Christ!  
Beep-beep, hey, you girls need a ride?  
GET INSIDE!  
I pull out my skin sword on the dance floor,  
Rub it on your butt cheeks and watch it transform.  
You better put out don't make me hate you,  
Or I'll do the Michael Jackson and I'mma rape you.[Chorus: Deuce]  
Girl your boobies look real nice to me tonight,  
Let's have a pillow fight,  
I know you're tight,  
That's when we turn off the lights.  
Girl if you're from Orange County,  
I'll fuck you right,  
And I think J-Dog might if I'm nice,  
That's when we turn off the lights, undead.  
That's when we, that's when we turn off the lights.  
Undead.[Brige: J-Dog & Charlie Scene & Jeffree Star]  
What is that?  
Dude is that a guy or a girl?  
HEY FAGGOT!  
Shut the fuck up you want me,  
Bitches get mad that I swallow more cum than they can.  
Wanna give me a hand cause I'll deep-throat your dad?  
Then he'll cum on my face before I go on MySpace.  
And every guy wants my lipstick smeared on his nut-sack,  
Let's play Barbie and shove Ken's dick in my ass.  
Or you can be R. Kelly an pee on me,  
Just don't get it on my plastic surgery.  
And then I'll beat you like I did that bitch Stevie.  
You think that's funny?  
Watch me eat Forbidden's fat pussy.[Chorus: Deuce]  
Girl your boobies look real nice to me tonight,  
Let's have a pillow fight,  
I know you're tight,  
That's when we turn off the lights.  
Girl if you're from Orange County,

I'll fuck you right,  
And I think J-Dog might if I'm nice,  
That's when we turn off the lights, undead.[Outro: Jefree Star & Deuce]  
Fucking cunt!  
That's when we turn off the lights.  
Undead.  
Lick my pussy.  
That's when we turn off the lights.  
Faggot.
