Acoustic Alchemy

After a life in the casino
we know that gambling is a joke
to say i'm not here for the money
is just another word for broke
one room for both of us
one room for us
is not available
there's something wrong
there's something wrong
there's something wrong
you don't tell me
there's something wrong
there's something wrong
with me
see the dice roll into nothing
when the stars fall of the ceiling
they rolling to the sea
one room for both of us
one room for us
is not available
there's something wrong
there's something wrong
there's something wrong
there's something wrong
with me
there's something wrong
with me
there's something wrong
there's something wrong
don't tell me
there's something wrong
with me
one room for both of us
one room for us
is not available
