The Penfifteen Club

oh my looky there
stone cold foxy platinum hair

make a chick wanna hate, make a boy wanna stare well

ms. hilton you most be worth a trillion bucks
get the feeling that you don't really give a fuck
ms. hilton i like the way you push and glide
rollerskate on a social butterfly come on

brease bay vealty ropes
skiniest bow like a bunny slope
oh my there she goes
a long money girl with her short money clothes well

ms. hilton you most be worth a trillion bucks
was it you bunny all up in the club?
ms. hilton i like the way you push and glide
rollerskate on a social butterfly come on

ms. hilton you most be worth a trillion bucks
get the feeling that you don't really give a fuck
ms. hilton i like the way you push and glide
rollerskate on a social butterfly come on

ms. hilton you most be worth a trillion bucks
was it you bunny all up in the club?
ms. hilton i like the way you push and glide
rollerskate on a social butterfly wow
