Don't Let Anyone Bring You Down

Minnie Riperton

(m. riperton r. rudolph)I'm not gonna sing the blues
Cause I don't wanna cry
I only wanna be as free as the skies
Don't let anyone bring you downSay what you wanna say
But I've got it right
And I aim to feel this good the rest of my life
Can't let anyone bring me downHey look at me
I want everyone to see
How happy our lives could be
How happy we could beThat's what I'm doin' here
Singin' my song
I just wanna make you see what you knew all along
Don't let anyone bring you downI hope I made you feel good
I hope I made you feel good
I hope I made you feel real good
I hope I made you feel good
