All That I Need (2006 Remastered Single Version)

Electronic

you're all that I need
you remind me of me
you come from my soul
you're part of my tree
I don't know what I'm saying
cuz I'm so out of touch
I don't mind if we stay in
cuz I love you so muchThey got it all wrong
cuz they don't understand
Just words in this song
and it comes from my head
and I find myself flying
at the edge of the world
we both need each other
like a boy needs a girland they got it all wrongwhat does it cost to shut your mouth
let's pack our bags and we'll both head south
I'm feeling strange
I've lost my sight
you're out of range
but it's alrightI'm so busy praying
I was down on my knees
I didn't know what I was saying
I just wanted to please
I was thrown out of jail
for behaving to well
I was given my freedom
I was robbed of my reasonThey got it all wrongWhat does it cost to shut your mouth
let's pack our bags and we'll both head south
I'm feeling strange,
I've lost my sight
you're out of range,
but it's alright
