

# So So Satisfied

## Ashford & Simpson

So full  
So warm  
Like being dried out  
After the storm  
Oooooooooo huh

New birth  
Running, running through my veins  
Looks like that clear day finally came  
Feeling highhhhhhhh  
Awwwww  
Oooooo  
So so satisfied

This must be  
Must be all there is  
Cause only love brings with it joy and tears

Yeah  
Listen  
I, I wonâ€™t try  
I wonâ€™t try to understand  
There I surrender allllll into your hands  
Oooooo  
Feeling high  
Aw, shucks  
So so satisfied

oooooooooooo  
Yeahhhhhhhh

Feeling high  
So so satisfied

Heyyyyyyy  
Hey, hey, hey, heyyyyyy
