Advisory - the following lyrics contain explicit language:

your form of jealousy is growing childish
it's annoying and i'm getting tired of it
you forgot the way to be yourself
now your telling me i'm trying to be someone elseso what if we lost our style
we're trying to make it worth our while
we're not doing this to prove anything
watch the ice on my neclace bling(chorus)
we're in it for the money, all the groupie honies
we want your life, so we sold out
we wanted to be famous, with what god gave us
but we sold our souls to the devil last night
and wrote this song
we sold outso what we won't make it anyway
that's too bad and we're sorry
so what you say what you wanna say
(you guys suck, sold out)so what if we lost our style
we're trying to make it worth our while
we're not doing this to prove anything
check the sound, yeah we hold it down(chorus)we won't be around too lang we're just a fad
we don't care attention's what we never had
i'll sit here and watch the bills come rolling in
one more time for all the kids(chorus 3x)
