

Counterfeit Life

Starsailor

Come down, slowly
Hotel lobbyOur lives are counterfeit
If we don't lay down
I should be used to it
But I'm losing my strength nowCome a time when
This darkness will endA war for corporate glory
Re-told as a fairy storyCome a time when
This darkness will endI got enough respite to keep on trying
I got enough respite to keep from cryingCome a time when
This darkness will endWe should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of itWe should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of itWe should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of itWe should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of it
