

# The Tip of My Fingers

**Bill Anderson**

I reached out my arms and I touched you with soft words I whispered your name  
I held you right on the tip of my fingers but that was as close as I came  
My eyes had a vision of sweet lips yeelding beneath my command  
I had your love on the tips of my fingers  
But I let it slip right through my hands but I let it slip right through my hands  
Somebody took you when I wasn't looking and I should have known from the start  
It's a long long way from the tip of my fingers  
To the love hidden deep in your heart to the love hidden deep in your heart  
I had your love on the tips of my fingers  
But I let it slip right through my hands but I let it slip right through my hands
