

# Carnage

## BGT

Witchcraft, blood and Satan  
Meet the face of Death  
    Blood  
    Fire  
    Torture  
    Pain  
    KILL  
Witchcraft, blood and Satan  
Meet the face of Death  
    Blood  
    Fire  
    Torture  
    Pain  
Winds of war, winds of hate  
Armageddon, tales from Hell  
The wage of mayhem, the wage of sin  
    Come and hear, Lucifer sings  
Command for blood, command for war  
Command for Satan, command for Hell  
Command for blood, command for war  
Command for Satan, command for Hell  
    Command for blood  
    Command for Satan  
    Command for you
