The Light

Nathan Sanders

It Will Get Better In The Morning Light
It Will Get Better In The Morning Light
It Will Get Better

Help Me Get To That Light

Help Me Get To The Light
Help Me Get To The Light
Help Me Get To The Light

Walking Down This Road
Been Through A lot
Lost A lot
Now I'm Gaining Everything
But It Don't Stop
It Seems Like This World
Is Full Of Trouble And Pain
I'm Trying To Stay In My Lane
But, You Know What

It Will Get Better In The Morning Light
It Will Get Better In The Morning Light
It Will Get Better, It Will Get Better

Help Me Get To That Light

Help Me Get To The Light

It's Gonna Be A Brighter Day

Help Me Get To The Light
Help Me Get To The Light

Help Me Get To The Light

It Will Get Better In The Morning Light

It's Gonna Be A Brighter Day
Trouble Don't Last Always

It Will Get Better

Keep Your Head Up, Help Me Get To That Light

Help Me Get To The Light
Help Me Get To The Light
It Will Get Better

Help Me Get To The Light
Help Me Get To The Light
In The Morning Light

Help Me Get To The Light

Help Me Get That The Light

Help Me Get To The Light

It's Gonna Be a Brighter Day
Trouble Don't Last Always
Help Me Get To That Light

Help Me Get To The Light
