

Rock 'n' Roll Is All I Got

Murderdolls

I don't need no woman yacking
I don't need no friends
Sold my soul to rock n roll
Let me tell you where it all began!
It was a sunny day, sitting by a grave
When the devil walked up to me
He said "For your soul
I'll give you rock n roll
And that's all you'll ever need"
I've got nothing to lose
I've got nothing to prove
Gonna make some noise before I rot
Cause rock n roll is all I got
I've said it once before
And I'll say it once again
Sex, drugs and rock n roll
Have been my only friends
Yeah!
Rock n roll, Rock n roll is all I got!
I don't need no one to love me
Stay the fuck away
Hell's the only path I walk tonight
Won't you follow me this way?

I've got drugs to take
I've got shit to break
I've got bitches when I need
I don't give a shit
I'm a son of a bitch
Dissatisfaction Guarenteed
I've got nothing to lose
I've got nothing to prove
Gonna make some noise before I rot
Cause rock n roll is all I got
I've said it once before
And I'll say it once again
Sex, drugs and rock n roll
Have been my only friends
Yeah!

We live, we breath
We bleed, rock n roll
We live, we breath
We bleed, rock n roll
I've said it once before
And I'll say it once again
Sex, drugs and rock n roll
Have been my only friends
Yeah!
Rock n roll, Rock n roll is all I got!
