

Sunshine

D'Sound

ohh, sunshine
baby, you change the weather
when you say Â«come on!Â», sunshine
party never seems to endjamming on
 after midnight
 in the club
 feeling so right
 pass it on!
give me the mic', party manmake the funk
 you've gotta do it on your own
 all alone
 but I ain't going home, no, no
 dancing on after midnight
 partyman, hear me! ohjamming on
 after midnight
 groovy song
 dj gives and takes
 right the wrongs
with the beats and breaks, oh yeah
