

# The Concept

## Teenage Fanclub

She wears denim wherever she goes  
Says she's gonna get some records by the status quo  
Oh yeah...Oh yeah...  
Still she won't be forced against her will  
Says she don't do drugs but she does the pill  
Oh yeah...Oh yeah...  
I didn't want to hurt you oh yeah...  
I didn't want to hurt you oh yeah...  
Says she likes my hair 'cause it's down my back  
  
Says she likes the group 'cause we pull in the slack  
Oh yeah...Oh yeah...  
When she's at the gig she takes her car  
And she drive us home if it is in a bar  
Oh yeah...Oh yeah...  
I didn't want to hurt you oh yeah...  
I didn't want to hurt you oh yeah...  
(Instrumental)  
I didn't want to hurt you oh yeah...  
I didn't want to hurt you oh yeah...
