Better Man

S.19

There was a time I had nothing to give
Well, I needed shelter from the storm I was in
When it all got too heavy you carried my weight
And I want to hold you and I want to say
That you are all that I need, for you, I give my soul to keep
You see me, love me just the way I am
I said, for you I am a better man
I said, you are the reason for everything that I do
I'd be lost, so lost without you, oh
And under the stars at the edge of the sea
There's no one around, no one but you and me
We'd talk for hours as time drifts away
I could stay here forever and hold you this way
You are all that I need, for you, I give my soul to keep
You see me, love me just the way I am
I said, for you I am a better man
I said, you are the reason for everything that I do
I'd be lost, so lost without you, no no no
I'd be lost, so lost without you
