Freek'n You

Jodeci

I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you

Every time I close my eyes
I wake up feelin' so horny
I can't get you outta my mind
Sexin' you be all I see
I would give anything
Just to make you understand me
I don't give a damn about nothing else
Freek'n you is all I see

Tonight, I need your body
Tonight, you got my time
Tonight you won't be sorry
Tonight, you got my mind
You got my mind, all I wanna do is freak you

What must I say
What must I do
To show how much
I think about freek'n you
What must I say
What must I do
To show how much
I think about freek'n you

Oooh, I could go on for days
But I couldn't go on for weeks
I can even play with another body
But it wouldn't last 'cause I'm a freak
Turned on by everything you say
I'm turned on by everything you do
And at night when I close my eyes

I only dream of freek'n you

Tonight, I need your body
Tonight, you got my time
Tonight, you won't be sorry
Tonight you got my mind

What must I say
What must I do
To show how much
I think about freek'n you
What must I say
What must I do
To show how much
I think about freek'n you

Freak out
And freak me up and down
DeVante Swing
Freak out
And freak me up and down
Freak out and freak me up and down

Every freak'n night and every freak'n day
I wanna freak you baby in every freak'n way
Every freak'n day, every freak'n night
I wanna freak you girl
Your body's so freak'n tight

Every freak'n night and every freak'n day
I wanna freak you baby in every freak'n way
Every freak'n day, every freak'n night
I wanna freak you girl
Your body's so freak'n tight

What must I say
What must I do
To show how much
I think about freak'n you
What must I say
What must I do
To show how much
I think about freak'n you
What must I say
What must I do
To show how much I think about freak'n you

I think about freak'n you

I wanna freak you

I wanna freak you

I wanna freak you
