

# Freek'n You

Jodeci

I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna freak you

Every time I close my eyes  
I wake up feelin' so horny  
I can't get you outta my mind  
Sexin' you be all I see  
I would give anything  
Just to make you understand me  
I don't give a damn about nothing else  
Freek'n you is all I see

Tonight, I need your body  
Tonight, you got my time  
Tonight you won't be sorry  
Tonight, you got my mind  
You got my mind, all I wanna do is freak you

What must I say  
What must I do  
To show how much  
I think about freek'n you  
What must I say  
What must I do  
To show how much  
I think about freek'n you

Oooh, I could go on for days  
But I couldn't go on for weeks  
I can even play with another body  
But it wouldn't last 'cause I'm a freak  
Turned on by everything you say  
I'm turned on by everything you do  
And at night when I close my eyes

I only dream of freek'n you

Tonight, I need your body  
Tonight, you got my time  
Tonight, you won't be sorry  
Tonight you got my mind

What must I say  
What must I do  
To show how much  
I think about freek'n you  
What must I say  
What must I do  
To show how much  
I think about freek'n you

Freak out  
And freak me up and down  
DeVante Swing  
Freak out  
And freak me up and down  
Freak out and freak me up and down

Every freek'n night and every freek'n day  
I wanna freak you baby in every freek'n way  
Every freek'n day, every freek'n night  
I wanna freak you girl  
Your body's so freek'n tight

Every freek'n night and every freek'n day  
I wanna freak you baby in every freek'n way  
Every freek'n day, every freek'n night  
I wanna freak you girl  
Your body's so freek'n tight

What must I say  
What must I do  
To show how much  
I think about freek'n you  
What must I say  
What must I do  
To show how much  
I think about freek'n you  
What must I say  
What must I do  
To show how much I think about freek'n you

I think about freak'n you

I wanna freak you

I wanna freak you

I wanna freak you
