

Brudda (feat. Bloody Jay)

Rocko

Yeah, this for my motherfucking family
World wide, real niggers
Just know it's us
This for my partners my niggers
I swear to God I love y'all
Brother from another mother
Brother from the Saints
We get money we fuck bitches
Everything to get it
Different dad different mother
Brothers from the same struggle
My brudda, that's my brudda
You my brudda, you my brudda
That's my brudda
Different dad different mother Now we ain't siblings, but you my brother
Nigger play with you
No I have them
Back to the old me
They must not know me
The streets with my daddy
My cousins were my brothers
My partners were my brothers
My brothers are my partners
Yo my mama mama
My mama yo mama nigger
My lil brudda Jay...with that K
Hot as he wanna be
Haters from another way
My niggers when they make it
What I did they doing it big
Oh God, Imma take care of yo kids
All for one, one for all
Think he's trying to say I love ya
Different dads different mothers
Brothers from the same struggle This for my partners my niggers
I swear to God I love y'all
Brother from another mother
Brother from the Saints
We get money we fuck bitches

Everything to get it
Different dad different mother
Brothers from the same struggle
My brudda, that's my brudda
You my brudda, you my brudda
That's my brudda
Different dad different mother
Brothers from the same struggle
Brotherly love overrides all passion and destruct
Say we fucks are destructing?
Cause I was at a point where I felt like erupting
Because I had nothing
Then bro set me down, he talk to me with some substance
He gave me the instructions
Now my life under construction
I reconstructed my life
And they listen to me at functions
That blunt love help me function
BLA so you thought this blunt was gonna be something
Or should I say dumping?
Cause I bang hard for my niggers like we in contest
This for my partners my niggers
I swear to God I love y'all
Brother from another mother
Brother from the Saints
We get money we fuck bitches
Everything to get it
Different dad different mother
Brothers from the same struggle
My brudda, that's my brudda
You my brudda, you my brudda
That's my brudda
Different dad different mother
Brothers from the same struggle
This for my partners my niggers
I swear to God I love y'all
Brother from another mother
Brother from the Saints
We get money we fuck bitches
Everything to get it
Different dad different mother
Brothers from the same struggle
My brudda, that's my brudda
You my brudda, you my brudda
That's my brudda
Different dads different mother
Brothers from the same struggle
