

Take It in Blood

Nas

I made it like that, I bought it like that, I'm livin' like that
I made it like that, I bought it like that, I'm livin' like that Yo, I never brag, how real I keep it, 'cause it's the best
secret
I rock a vest, prestigious, Cuban link flooded Jesus
In a Lex watchin' Kathie Lee and Regis
My actions are one with the seasons A tec' squeezin', executioner, winter time I rock a fur
Mega popular, center of attraction
Climaxin', my bitches they be laughin'
They high from sniffin' coke off a twenty-cent Andrew Jackson City lights spark a New York night
Rossi and Martini sippin', Sergio Tachinni flippin' mad pies
Low price, I blow dice and throw 'em
Forty-five by my scrotum, manifest the, "Do or Die" slogan My niggaz roll in ten M3's
Twenty Gods poppin' wheelies on Kawasaki's
Hip-Hop's got me on some ol', sprayin shots like a drumroll
Blankin' out and never miscount the shells my gun hold I don't stunt, I regulate
Henny and Sprite, I seperate, watchin' crab niggaz marinate
I'm all about tecs and good jooks and sex
Israelite books, holdin' government names from Ness
MC's are crawlin' out, every hole in the slum
You be aight like blood money in a pimp's cum I made it like that, I bought it like that, I'm livin' like that
I made it like that, I bought it like that, I'm livin' like that
For, you wack MC's Currency is made in trust of the Messiah
I'm spending it to get higher
Earth, Wind, and Fire singing reasons why I'm
Up early, trustworthy is a nine that bust early Sunshine on my grill, I spill
Remi on imaginary graves, put my hat on my waves
Latter Day Saints say religious praise
I dolo, challenge any team or solo You must be buggin' out, new to my shit, home on a furlough
Ask around, who's laid up, sharp and straight up
Mafioso, gettin' niggaz wigs sprayed up
Skies are misty, my life's predicted by a gypsy I'll one day walk into shots drunk off champagne from Sicily
This be the drama, I'm a pause like a comma
In a sentence, paragraph's indented
Bloodshot red eyes, high, yellow envelopes of lye Openin' cigars, let tobacco fly
Condos are tuneproof, we're looking out the sky's moonroof
Shittin' like gin and prune juice
Yo the system wants the coon's noose, hang 'em high Courtrooms filled up, it's off the hook while I just wrote a
statement
Like I'm facing twenty years in the basement

Chilling on the via with Mumia for wearin' chrome, I told the judge
 Snakes slither like Sharon Stone, but like Capone I'm thrown
 I made it like that, I bought it like that, I bought it like that, I'm livin'
 like that
 I made it like that, I bought it like that, I'm livin' like that
 For, you wack MC's I made it like that, I bought it like that, I'm livin' like that
 I made it like that, I bought it like that, I'm livin' like that
 For, you wack MC's Yo the time is wastin', I use the mind elevation
 Dime sack lacin', court pen pacin'
 Individual, lyrical math abrasion
 Psychic evaluation, the foulest nation We livin' in, dangerous lives, mad leak and battered wives
 A lifestyle where bad streets is patternized
 Wise men build and destroy
 While the real McCoy dope fiend, named Detroit is still dealin' boy
 Coke suppliers actin' biased
 'Cause rumors say that niggaz wear wires and we liars
 But every night the gat's fired, and every day a rat's hired
 I still remain the mack flyest in the phat Kani
 It's just the killer in me, slash drug dealer MC
 Ex-slug filler, semi mug peeler
 Demi, bottles of Mo', yo simply follow me flow
 Put poetry inside a crack pot and blow
 Rough holes for cracked out pussies and buttholes
 Bring the G's and the D's roll, they can't touch those
 Why shoot the breeze about it, when you could be about it?
 My degrees are routed, toward the peasy haired brick houses
 Instead of the fake medallions
 Rich niggaz transport in thousands
 Foreign cash exchange amountin' to millions
 Doors is locked, rocks is chopped, watch the cameras in the ceilings
 Trick bitches catching mad feelings
 Peelin' off in the Lex Jeep, techniques is four-wheelin'
 I bet it be some shit when we connect with Stretch
 When we catch them sex niggaz with the tecs you blessed, word
 So now it's on, never wasted a slug
 Time is money when it comes to mine, take it in blood
 I made it like that, I bought it like that, I bought it like that, I'm livin' like that
 For, you wack MC's
 I made it like that, I bought it like that, I'm livin' like that
 I made it like that, I bought it like that, I'm livin' like that
 that
 For, you wack MC's
 I made it like that, I bought it like that, I'm livin' like that
