Swan Dive

æ˜¯å·¨äºº

Po po po
Ha ha haI climb hand over hand closing my eyes
Too scared to look down I climb hand over hand
Putting distance between I and I and the groundI get to the top I stand on the edge
I look to the sky and say all my prayersWhat could be better than a swan dive into the asphalt?
I don't know
Nothing can be better than a swan dive into the asphaltYou should ask somebody 'cause I've got nothing to lose tonight
I misplaced my life tonight chased all my friends away tonight
I don't say the right things I don't look the right way
That's just not me, I listen to my music too loud
And watch too much damn TVI get to the top I stand on the edge
I look to the sky and say all my prayersWhat could be better than a swan dive into the asphalt?
I don't know
Nothing can be better than a swan dive into the asphaltWhat could be better than a swan dive into the asphalt?
I don't know
Nothing can be better than a swan dive into the asphaltTell me who can control the flood?
No one
Where are the angels?
Nowhere
Where's the honesty?
Nowhere
Where's the compassion?
NowhereWho knows the truth?
(No one)
Who will believe in me?
(No one)
Well who will stand by me?
(No one)
Or who will fly with me?
(No one)Po po poI climb hand over hand closing my eyes
Too scared to look down I climb hand over hand
Putting distance between I and I and the groundI get to the top stand on the edge look to the skyWhat could be better than a swan dive into the asphalt?
I don't know
Nothing can be better than a swan dive into the asphaltThere's nothing left for me
There's nothing left for me
There's nothing left for me
Nothing left for me
