Keep On The Sunny Side

Doc Watson

There's a dark and a troubled side of life
There's a bright and a sunny side too
Though we meet with the dark nest of strife
The sunny side we also may viewKeep on the sunny side
Always on the sunny side
Keep on the sunny side of lifeIt will help us every day
It will brighten all our way
If we keep on the sunny side of lifeThough the storm and its fury breaks today
Crushing hopes that we cherish so dear
The clouds and storm will in time pass away
And the sun again will shine bright and clearLet us treat with a song of hope each day
Though the moment be cloudy or clear
Let us trust in our Savior old ways
He will keep us everyone in His careKeep on the sunny side
Always on the sunny side
Keep on the sunny side of lifeIt will help us every day
It will brighten all our way
If we keep on the sunny side of life
