

# Keep On The Sunny Side

[Doc Watson](#)

There's a dark and a troubled side of life  
There's a bright and a sunny side too  
Though we meet with the dark nest of strife  
The sunny side we also may view  
Keep on the sunny side  
Always on the sunny side  
Keep on the sunny side of life  
It will help us every day  
It will brighten all our way  
If we keep on the sunny side of life  
Though the storm and its fury breaks today  
Crushing hopes that we cherish so dear  
The clouds and storm will in time pass away  
And the sun again will shine bright and clear  
Let us treat with a song of hope each day  
Though the moment be cloudy or clear  
Let us trust in our Savior old ways  
He will keep us everyone in His care  
Keep on the sunny side  
Always on the sunny side  
Keep on the sunny side of life  
It will help us every day  
It will brighten all our way  
If we keep on the sunny side of life
