All You Ever Do Is Bring Me Down

The Mavericks

I can't sleep a wink anymore
Ever since you first walked out the door
Then I just started drinking to forget
But I don't think the worst has happened yetAll you ever do is bring me down
Making me a fool all over town
And they all wonder why I wear a frown
That's 'cause honey all you do is bring me downIt's funny how my whole world fell apart
I think I saw it coming from the start
I tried to tell myself that you'd be true
But I expected way too much of youAll you ever do is bring me down
Making me a fool all over town
And they all wonder why I wear a frown
That's 'cause honey all you do is bring me downAll you ever do is bring me down
Making me a fool all over town
And they all wonder why I wear a frown
That's 'cause honey all you do is bring me down
That's 'cause honey all you do is bring me down
Honey all you ever do is bring me down
