

Prodigal

Casting Crowns

Living on my own, thinking for myself
Castles in the sand, temporary wealth
Walls are falling down, storms are closing in
Tears have filled my eyes, here I am again And I've held out as long as I can
Now I'm letting go and holding out my hand Daddy, here I am again
Will you take me back tonight?
I went and made the world my friend
And it left me high and dry I drag your name back through the mud
That you first found me in
Not worthy to be called your son
Is this to be my end? Daddy, here I am
Here I am again Curse this morning sun, drags me in to one more day
Of reaping what I've sown, of living with my shame
Welcome to my world, and the life that I have made
Where one day you're a prince, the next day you're a slave And I've held out as long as I can
Now I'm letting go and holding out my hand Daddy, here I am again
Will you take me back tonight?
I went and made the world my friend
And it left me high and dry I drag your name back through the mud
That you first found me in
Not worthy to be called your son
Is this to be my end? Daddy, here I am
Here I am again And I've held out as long as I can
Now I'm letting go and holding out my hand Daddy, here I am again
Will you take me back tonight?
I went and made the world my friend
And it left me high and dry I drag your name back through the mud
That you first found me in
Not worthy to be called your son
Is this to be my end? Daddy, here I am
Here I am again [Incomprehensible]
