All Or Nothing

The Subways

When I first saw you standing there You know it was a little hard not to stare So nervous when I drove you home I know being apart is a Little hard to bare Send some flowers to your work an hopes So that I will have you in my arms again We kissed that night before I left And now that?s something I could never forget You?ve got all that I need Looking at all or nothing Babe it?s you and I With you I know that I am good for something So let's go give it a try We got our backs against the ocean It?s just us against the world Looking at all or nothing Babe it?s you and I Looking at all or nothing Babe it?s you and I Let's take a chance go far away today And never look back again Since I said I loved you in Las Vegas It?s never been the same since then You?ve got all that I need Looking at all or nothing Babe it?s you and I

With you I know
I am good for something
So lets go give it a try
We got our backs against the ocean
It?s just us against the world
Looking at all or nothing
Babe it?s you and I
Looking at all or nothing

Babe it?s you and I This is it nothing to hide One more kiss never say goodbye This is it babe you're all mine Looking at all or nothing Babe it?s you and I I know that I am good for something So let's go give it a try We got our backs against the ocean It?s just us against the world Looking at all or nothing Babe it?s you and I With you I know that I am good for something So let's go give it a try We got our backs against the ocean It?s just us against the world Looking at all or nothing Babe it?s you and I Looking at all or nothing Babe it?s you and I Babe it?s you and I It?s you and I
