

# Under My Thumb

## The Rolling Stones

Under my thumb's the girl who once had me down,  
under my thumb's the girl who once pushed me around,  
it's down to me, the difference in the clothes she wears,  
it's down to me, the change has come, she's under my thumb.

Ain't it the truth babe.

Under my thumb`s a squirming dog who`s just had her days,  
under my thumb's a girl who has just changed her ways,  
it's down to me, yes it is, the way she does just what she's told,  
down to me, the change has come, she's under my thumb.

It's alright.

Under my thumb's a Siamese cat of a girl,  
under my thumb she's the sweetest pet in the world,  
it's down to me, the way she talks when she's spoken to,  
it's down to me, the change has come, she's under my thumb.

I take it easy baby.

It's down to me, oh yeah, the way she talks when she's spoken to,  
it's down to me, the change has come, she's under my thumb.

It's alright

Under my thumb her eyes are just kept to herself,  
under my thumb, well, I can still look at someone else,  
it's down to me Oh that's what I said, the way she talks when she's spoken to,  
down to me, the change has come, she's under my thumb.

It's alright, It's alright, It's alright

Take it easy, baby.

Take it easy, baby.
