I Would Do For You

Ub40

I didn't mean to be so late
It's just that I got talking
I had a drink with a couple of mates
Missed my bus and wound up walking
I tried to call and let you know
It's busy and I couldn't get through
I didn't want to let you down
I know how much it hurts you
I would do for you all you'd have me do
All you have to do is ask me to
All you have to do is tell me when
And I'll come running back again
I don't know what came over me
It must have slipped my mind
I'll try and make it up to you
Let's leave the past behind
I promise that I'll do my best
To mend my wicked ways
Don't believe the things you hear
Don't listen to what they say
I would do for you all you'd have me do
All you have to do is ask me to
All you have to do is tell me when
And I'll come running back again
If there's something wrong then let me know
Don't bottle things inside
Your pretty eyes can melt my heart
Your sadness, they can't hide
Please try and give me one more chance
Set the record straight

Meet me here tomorrow night
I promise I won't be late
I would do for you all you'd have me do
All you have to do is ask me to
All you have to do is tell me when
And I'll come running back again
I would do for you all you'd have me do
All you have to do is ask me to

All you have to do is tell me when
And I'll come running back again
I would do for you all you'd have me do
All you have to do is ask me to
All you have to do is tell me when
And I'll come running back again
Oh girl, I would do for you all you'd have me do
All you have to do is ask me to
All you have to do is tell me when
And I'll come running back again
I would do for you all you'd have me do
All you have to do is ask me to
All you have to do is tell me when
And I'll come running back again
And I'll come running back again
Dear, I'll come running back again
Dear, I'll come running back again
And I'll come running back again
I would do for you all you'd have me do
You tell me when, I'll come running back again
