

# Yul Brynner Was a Skinhead

## Toy Dolls

There's a fella from a film  
reminds me of Duncan Goodewe  
but he's not a proper skinhead  
cause he hasn't got a tattoo  
He's not as wise as he seems  
coz he's just an actor  
he's a dunce, I've never seen  
him on the Krypton Factor  
We all rinse in Silvercrin  
to keep our head clean  
but we know that Yul's not  
a common human being  
coz he uses Mr Sheen...

CHORUS:

Yul Brynner, Yul Brynner,  
they say he's a skinhead  
but we know that it's a lie  
Yul Brynner, Yul Brynner  
he is just a baldy geezer  
from the Kink & I,  
Yul BBBBB Brynner  
Yul Brynner was a skinhead  
they said on the News,  
but I've never seen Yul Brynner  
wearing Doctor Martens shoes  
His only claim to fame was that  
he had a shiney nut  
But I would look just the same  
if I had my hair cut  
We all rinse in Silvercrin...

CHORUS
