Stateside

Disphonia & Dose

fell in love with a crazy girl
and now I'm not alone
i never really had a heart
i never even had a homegot me serving stateside
shipped me overseas
will i ever see my girl
staring back at mecaptivated by her style
lip gloss n' broken wings
i see the stars all in her eyes
i wonder what she's wonderingstanding on this fault line
this earthquake is shaking me
will i ever see my girl
staring back at meas typical
as it may seem
you've never seen the likes of a boy like me
i want her more
than anything
i have nothing,
n' she's something for me
