

# I Was Doing All Right

**Diana Krall**

I was doing all right  
Nothing but rainbows in my sky  
I was doing all right  
'Til you came by Had no cause to complain  
Life was as sweet as apple pie  
Never noticed the rain  
'Til you came by But now whenever you're away  
I can't sleep nights and suffer all the day  
I just sit and wonder  
If love isn't one big blunder But when you hold me tight  
Tingling all through, I feel somehow  
I was doing all right  
But I'm doing better than ever now But now whenever you're away  
I can't sleep nights and suffer all the day  
I just sit and wonder  
If love isn't one big blunder But when you hold me tight  
Tingling all through, I feel somehow  
I was doing all right  
But I'm doing, yes, I'm doing  
I'm doing much better than ever now
