## Jethro Tull

I see a dark sail on the horizon  
Set under a black cloud that hides the sun  
Bring me my broadsword and clear understanding  
Bring me my cross of gold as a talisman  
Get up to the roundhouse on the cliff-top standing  
Take women and children and bed them down  
Bring me my broadsword and clear understanding  
Bring me my cross of gold as a talisman  
Bless with a hard hearth and those who surround me  
Bless the women and children, who firm our hands  
Put our backs to the north wind, hold fast by the river  
Sweet memories to drive us on for the motherland  
I see a dark sail on the horizon  
Set under a black cloud that hides the sun  
So bring me my broadsword and clear understanding  
Bring me my cross of gold as a talisman  
So bring me my broadsword and a cross of gold as a talisman
