

# Woman's Work

[Tracy Chapman](#)

Early in the morning she rises  
The woman's work is never done  
And it's not because she doesn't try  
She's fighting a battle with no one on her side  
She rises up in the morning  
And she works 'til way past dusk  
The woman better slow down  
Or she's gonna come down hard  
Early in the morning she rises  
The woman's work is never done
